**Park at the Visitor Reception & Transportation Center Garage and ride the Trolley!**

The Trolley is a component of CARTA's public transportation system. CARTA Trolleys are not utilized as four vehicles. For your convenience, information concerning Charleston's many privately owned tour companies is available at the Visitor Reception & Transportation Center.

**How to Use This Brochure.** The Trolley System map inside this brochure is color-coded by route and corresponds with schedule information. Shuttle stop locations are also shown.

CARTA Trolleys display color-coded destination signs in the windows beside the passenger doors.

**Identifying Your Bus.** When the trolley approaches be sure to check the overhead sign, right above the bus windshield, to insure you are boarding the right trolley.

**Shuttle Stops.** Shelters, benches and trolley stop signs are located throughout the city. It is very important that you wait at the trolley stop. For your safety, Trolley drivers are instructed to serve only posted trolley stops. **NO SPECIAL STOPS CAN BE MADE.** Stops can be identified by a green CARTA Sign with a CARTA route number.

**Animals.** Police dogs, guide, signal or service dogs are the **ONLY** pets permitted on CARTA Trolleys.

**Fares.** Effective November 22nd, 2010 CARTA Trolley route rides are **FREE**.

**Courtesy Seats.** The seats located in the front of each trolley behind the driver are reserved for senior citizens and disabled passengers.

**Lost and Found.** Lost items are turned in at the CARTA Operations Center in North Charleston. Please call (843) 747-0922. The route and description of the driver is helpful when calling.

**Comments and Complaints.** When calling or writing with a comment or complaint please:

- Note the time and date of the incident and any identifying outside factors or circumstances (i.e. location of shuttle stop)
- Give the route name and trolley number.
- If a driver is involved, try and get his/her name.
